Klements, a Hefty Outfielder From Providence, Is Latest Recruit to Get Railroad Fare-First Baseman Will Also Arrive With Squad. Name Not Mentioned.

I have the honor to report another slight change in the "official and final list" of players to report for practice on Monday, Peter Klements, an outfielder from Providence, R. L. was sent his transportation vesterday by Owner Bradley, and will be with the squad. Sullivan has been diekering for this fellow for some time, and only came to an agreement with him within the past few hours. Just as soon as a satisfactory letter was received on other slight changes in the final and official list. You know the Dobson matter is by no means settled. In fact, it would not be beyond the realm of possibility that that player does not come to Elichmond at all. Of course, as matters now stand, it looks as if Richmond had all the better of the Fayetteville outfit, has by no means given up the fight, and if he can by hook or crook get possession of the player he will do so.
